Dear Der Mardiros,

I write to express my sincere gratitude for the honor you bestowed upon me and for the warm invitation to spend time at St. Nersess Armenian Seminary. Your kindness, hospitality, and brotherly spirit made my visit both meaningful and uplifting.

I am especially thankful for the thoughtful recognition given to us as St. Nersess alumni. This gesture touched me deeply and reaffirmed the enduring bond we share with the Seminary that shaped our ministry and vocation.

Please also extend my appreciation to the esteemed Board of Directors. Their gracious welcome, attentive presence, and dedication to the Seminary's mission were truly inspiring. It was a privilege to witness firsthand the strong leadership guiding this sacred institution.

Thank you once again for allowing me the joy of sharing in the life of the Seminary community. Be assured of my prayers for you, for the Board, for the seminarians, and for the continued flourishing of this blessed institution.

With brotherly love in Christ,

Bp. Nareg Berberian
